Minutes of the academic council meeting held on 31-08-2024.

Dr. Yadavalli Basavaraj, Principal and Chairman of the Academic Council, extended a warm welcome to the esteemed members of the council. Dr. B.S. Khened, Dean (Academics) and Member Secretary of the Academic Council, presented the agenda for discussion. The detailed agenda, along with the necessary documents, had been circulated to all members via email on August 24, 2024.

Agenda 1: To confirm the minutes of previous meeting.

The minutes of the previous meeting held on November 18, 2023, along with the circular agenda dated March 11, 2024 (Email Attachment No. 1), were presented. After review, the members confirmed the minutes of previous meeting.

Agenda 2: To consider and approve the scheme and syllabus of B.E. VII/VIII semesters (2021 scheme) of all the engineering programs.

The scheme and syllabus for B.E. VII and VIII semesters under the 2021 scheme (Email Attachments 2A and 2B) for all engineering programs were tabled for consideration. Following a detailed discussion, the members approved the scheme. Dr. B.G. Prasad recommended an increase in the number of contact hours allocated to project work, which was noted by all the Heads of Departments (HODs) for further action.

Agenda 3: To consider and approve the scheme and syllabus of B.E. V and VI semesters (2022 scheme) of all the engineering programs

The council reviewed the scheme and syllabus for B.E. V and VI semesters (2022 scheme) for all branches (Email Attachments 3A, 3B and 3C). After an elaborate discussion, the members gave their approval. Dr.B.G. Prasad (VTU nominee) suggested to maintaining uniformity in the number of professional and open electives offered across departments, a point that was duly noted by all HODs for consideration.

Agenda 4: To consider and approve the scheme and syllabus of MCA III/IV semesters

The scheme and syllabus for MCA III and IV semesters, effective from the academic year 2024-25, were presented (Email Attachments 4A and 4B). The council approved the curriculum.

Agenda 5: To discuss and approve introduction of 'Advanced C programming' under programming language courses of BE I/II semesters.

The council deliberated on the introduction of a new course titled 'Advanced C Programming' for B.E. I/II semesters under the programming language courses (Email Attachment 5). This initiative was proposed to provide a solid foundation in programming for first-year students. Mr. Srinivas Ramanujan (Manager-AWS, TCS, Bengaluru) applauded the initiative, emphasizing its importance in fostering essential skills. The proposal received approval from the council for implementation.

Agenda 6: To discuss about the result analysis of examinations held during the academic year 2023-24

A comprehensive analysis of the results of the odd and even semester examinations for the academic year 2023-24 was discussed (Email Attachments 6A and 6B). While the members expressed satisfaction with the overall performance, they identified a decline in results for certain subjects, particularly in the Civil and Mechanical Engineering streams in the first and second semesters. Dr. Govinda Gowda (VTU nominee) urged the HODs of the respective departments to closely monitor and mentor their students from the first semester onwards, emphasizing the need for targeted efforts to improve future results. He also highlighted the broader implications of poor results on the department's success rates.

Agenda 7: Any other subject with the permission of the Chair.

Under this final agenda item, discussions were held regarding the inclusion of 'Communicative English' and 'Professional Writing Skills' for students admitted through lateral entry, as it was noted that these students often face challenges in communication (Email Attachment 7). The council approved the inclusion of these courses as audit subjects in the III and IV semesters to help enhance their communication skills.

Meeting ended with vote of thanks.

Subject: Weekly Road Safety Pledge

It is hereby informed to all Faculty and Students that during **the First Hour - First Day of EVERY WEEK**, all students are required to take the **Road Safety Pledge** as part of an initiative to promote awareness of road safety.

The following guidelines are to be followed:

1. The **faculty handling** the first hour of the day must ensure that the pledge is taken.
2. One student should be selected to read the pledge aloud.
3. All other students should repeat the pledge as a group.

This initiative aims to foster a sense of responsibility and spread awareness about road safety among the students. Your cooperation is highly appreciated.

ROAD SAFETY PLEDGE

As a Responsible citizen of the country and being aware of the dreams carried by my parents, and my role as a professional student of the institution today I take a **ROAD SAFETY PLEDGE** that I will

- Follow all traffic rules, road signals, and signs
- Be alert while driving and avoid distractions
- Respect the rights of other road users, including pedestrians, cyclists, and emergency vehicles
- Drive cautiously, especially near children, the elderly, or those with disabilities
- Be a responsible driver, pedestrian, rider, or cyclist
- Show patience, avoid unnecessary honking, and park responsibly
- Influence others to follow safe driving habits
- Wear a seat belt or helmet while driving, and ensure your vehicle is fit

Taking a road safety pledge can help reduce accidents and fatalities, and create a culture of safe road use.
