CERTIFICATE OF INTERNSHIP

We hereby proudly present this Internship certificate for Outstanding, Honorable effort of Mr/ Ms. Y Gonardhan USN: 3BR21ME440 Bonafide Student of Mechanical Engineering Department, Ballari Institute of Technology & Management for His/ Her Successful Completion of training Program Conducted from 19th February 2024 to 20th March 2024.

The Outcome of the training Achieved:

- Technology Trained on SQL and Java
- JAVA Popular Technology Working with OOPs concepts
- Capable of Developing core java project using Encapsulation, inheritance, polymorphism and abstraction
- Having deep knowledge on handling the exception and Collections.
- Developing data models and describing basic elements of SQL
- Good in Basic concepts like Data, Database, DBMS, RDBMS, Relational Model, E.F.Codd Rules
- Understanding and solving queries on joins, sub-queries, constraints.
- Developing data models and describing basic elements of SQL & Data Types, CONSTRAINTS
- Working with SQL Statements different types of SQL (DDL, DML, TCL, DCL and DQL) & Creating the table by using DDL, DQL (select, Projection, Selection, Joins) & Inserting the records by using DML
- Good hands on experience on individual n collection data type.
- Implementing error handling techniques using exception handling
- Have deep knowledge in normalization and its forms

During the Course of "Training" He /She has Shown Keen interest in learning & a very sincere worker.

We wish all the Best for Future Endeavors.

- Technology Trained on SQL and Java
- JAVA Popular Technology Working with OOPs concepts
- Capable of Developing core java project using Encapsulation, inheritance, polymorphism and abstraction
- Having deep knowledge on handling the exception and Collections.
- Developing data models and describing basic elements of SQL
- Good in Basic concepts like Data, Database, DBMS, RDBMS, Relational Model, E.F.Codd Rules
- Understanding and solving queries on joins, sub-queries, constraints.
- Developing data models and describing basic elements of SQL & Data Types, **CONSTRAINTS**
- Working with SQL Statements different types of SQL (DDL, DML, TCL, DCL and DQL) & Creating the table by using DDL, DQL (select, Projection, Selection, Joins) & Inserting the records by using DML
- Good hands on experience on individual n collection data type.
- Implementing error handling techniques using exception handling
- Have deep knowledge in normalization and its forms

During the Course of "Training" He /She has Shown Keen interest in learning & a very sincere worker.

We wish all the Best for Future Endeavors.

Certificate

This is to certify that Mohammed Usman student of Ballari Institute of Technology & Management has successfully completed the Internship Training at JSW Cement Limited, Vijaynagar, Karnataka from 23rd April 2024 to 22nd May 2024.

During the training period he demonstrated excellent dedication, commitment, and enthusiasm towards learning and gaining practical experience in the Mechanical domain. He actively participated in various activities and projects, showcasing his strong interpersonal skills, problem-solving abilities, and a deep understanding of Mechanical functions.

The training provided to him with valuable exposure to real-world scenarios, enabling him to apply theoretical knowledge to practical situations effectively. He consistently displayed a high level of professionalism, adaptability, and a keen interest in learning from the experts in the organization.

We commend his for successfully completing the Internship Training and wish him continued success in his academic and professional pursuits.
