Activity	1. To assist the marketing of rural produce. 2. Spreading awareness on garbage disposal system
Staff Coordinated	Mrs. Anita Patil Mrs. Pratibha Mishra Assistant Professor, Department of CSE BITM, Ballari

Students of 8th Sem. CSE visited the Haraginadona village on 16-05-2022. The Pattan Panchayat officers helped us to educate villagers about the marketing of rural produce and awareness on garbage disposal. The students surveyed the shops in different wards and given the information.

Students interacted with various village people specially ladies and educated them about the benefits of segregation of garbage. Wet garbage can be used for agriculture field to make fertilizer while Dry garbage can be recycled. Now-a-days, there is huge demand of organic products such as fruits and vegetables.

DEPARTMENT OF MECHANICAL ENGINEERING

AICTE ACTIVITY POINT PROGRAM 2021-22

The objectives of AICTE student activity is to expose students to real-time life challenges, to provide opportunity to gather data, analyse data, propose solutions and implement solutions. Also it paves the way for personal development and creative engineers who are proud volunteers with a sense of achievement and ready to take up projects having a social impact and creating digital awareness. Besides it helps the students to strengthen their soft skills, leadership qualities and team spirit. Moreover, these activities inculcate entrepreneurial mind set and societal commitment.

Following are the various activities conducted by the DEPARTMENT OF MECHANICAL ENGINEERING on to enable AICTE activity points.

1. Under Swachh Bharath Abhiyan - cleaning the premises of Government Hospital Kudutini
2. Motivation for Higher Education in rural students.
3. Swachh Bharath Abhiyan- cleaning the premises of ashram at veniveerapura
