OBJECTIVES

Our institution is committed to its motto of excellence, variety, and perfection in education and also to the nation's three-tier approach to higher education through expansion, excellence and equity for achieving rapid and inclusive growth.

- To foster value based education to the students through mentoring, counseling, guiding and developing them to be recognized as good personalities.
- To nurture students through various modes of learning.
- To enhance the student's employability skills and social opportunities by improving their understanding and command over the English language and soft skills training.
- To create an exposure in developing the competencies of the students in order to prepare them to face the challenges of the changing world.
- To focus on full-fledged research center and to encourage industry-academia interactions.
- To foster entrepreneurship through incubation and startup center.
