#### **LONG TERM GOALS (2021-25):**

LTG1: To create Centre of Excellence.

➤ To establish Centre of Excellences by utilizing the resources and expertize.

LTG2: To provide state of the art modern infrastructure facility.

- ➤ Develop infrastructure for carrying our R & D activities.
- Acdemic infrastructure to be strengthened further.
- > Strengthen campus wide networking.
- Modernization of laboratories.
- Upgradation of Central Library.

**LTG3:** To have 20% of the faculty with Ph.D., qualification.

- ➤ Encourage faculty to pursue Ph.D., in reputed institutions.
- > To create and provide support and financial facility.
- > Recruit Ph.D., from reputed institutions.

LTG4: To introduce engineering and management programs in emerging areas.

- > Explore the possibilities of adding new programs in emerging field.
- ➤ Enhance intake across programs based upon the demand and supply in emerging areas.

LTG5: To obtain 50% of the NBA accreditation for eligible programs.

- ➤ Equip laboratories to meet the required standards of the accreditation agencies.
- ➤ To actionize OBE process across the institution.
- ➤ Bridge the curriculum gap through effective collaboration with industries.

LTG6: To facilitate students to become entrepreneurs (incubation centres).

- ➤ Conduct Ideathons, Business Plans & Idea competitions.
- Encourage more campus companies that provide startup opportunities.

- Provide necessary infrastructure for incubating the ideas.
- ➤ Bring in mentors and handhold the students with innovative ideas.
- ➤ Obtain necessary seed funds from funding agencies (Government & Private) to develop proto types.

**LTG7:** To augment technology based learning for providing skill sets and encouraging self learning.

- ➤ Adopt E-Learning solutions, Digital Learning and Interactive sessions.
- Encourage self learning techniques.
- Adopt blended mode of learning to maximize student learning outcomes

LTG8: To collaborate with foreign and National Institutions.

- Collaborate with reputed foreign Universities and institutions.
- Encourage faculty exchange.
- Collaborate with Universities of repute for Research Activities.
- > Conduct FDP's workshops and seminars with foreign and National Institutions.

LTG9: To strengthen Research & Development.

- ➤ To obtain funds from funding agencies for setting up R & D centres.
- ➤ To clearly focus publishing articles which are indexed in scopus & Web of Science and other journals of reputed nature.
- > To file patents continuously.

**LTG10:** To establish collaborative programs / laboratories with the support of industry and Government.

- > To create experiential learning oportunities by providing industry oriented training and development.
- > To setup laboratories for pursuing research and skill development.

LTG11: To establish Digital Payment systems and E-Governance mechanism.

To embrace and encourage Digital Payments.

(Hereinafter referred to as the **SECOND PARTY** (which expression shall wherever the context so requires or admits, mean and include its successors in title, representatives, nominee/s, administrators, agents and assigns) of the **OTHER PART**;

### WITNESSETH AS FOLLOWS:

WHEREAS the First party is an autonomous organization established under the Department of Information Technology & Biotechnology, Govt. of Karnataka in the year of 2001 under the Chairmanship of Principal Secretary to Govt. of Karnataka, Department of Information Technology, Biotechnology and Science & Technology.

The First Party assists the Department of Information Technology and Biotechnology of Government of Karnataka in facilitating and promoting the Information Technology and Biotech sectors in the State by implementing the various schemes, programmes, action plans, reports etc., for furthering the IT / BT and related sectors in the State. In this connection, the Department has brought out Startup Policy highlighting various steps to be taken for improving the employment generation and entrepreneurship Development as well as exports from the IT / BT and related sectors in State.

In the Startup Policy 2015-2020 Entrepreneurship Development and Mentoring is one of the Initiatives for creating new opportunities and jobs. One of the proposals under this Policy is to build New Age Incubation Network Scheme to be located in selected colleges and institutions that are in tier 2 cities.

**WHEREAS** the Department of Information Technology, Biotechnology and Sciences & Technology in order to implement the Budget announcement of Government of Karnataka, has decided to implement the above proposal through the First Party.

The Committee under the Chairmanship of Principal Secretary, Department of IT, BT and S&T, after taking inputs from various sources has finalized 14 colleges [12 Engineering Colleges, 2 Government Medical Colleges] across the State.

WHEREAS the Second Party is one of the 14 colleges / institutions selected by the committee to implement the New Age Incubation Network of the Department.

WHEREAS the first party has agreed to implement the scheme with the Second Party. The Scheme will be called **NAIN Center** (NAIN imitative of KITS, Department of IT, BT and S&T, Government of Karnataka) to be called as **Programme** for this MOU. Both the Parties are desirous of recording their terms and conditions as under.

This MOU is being entered into for implementing the Programme by the Second Party in its college in the State with the funding support from Department of Information Technology, Biotechnology and Sciences & Technology, Government of Karnataka through the First Party;

Now this Memorandum of Understanding witnessed as follows:

- For all intents and purpose Year or Annual for this MOU shall mean an academic year as prescribed by the University the Second party [college / institution] is affiliated to.
- A physical Incubation center as per operational guidelines will be set up in the premises of Second Party to manage this Programme.
- 3) Based on technical strength of second party, the second party shall identify up to 3 focus technology domain areas which the incubation Centre will be operational in. The facilities available at incubation Centre and associated

VA - >>

- labs should have the core equipment's which shall be available to the incubates of the NAIN Centre.
- First party shall facilitate association of a mentor industry expert for each NAIN Centre.
- 5) Each Center will incubate up to a minimum of 10 projects per year. Each project will be executed by a team of student entrepreneurs.
- 6) The program should select entrepreneurs by giving first preference to students, research scholars and alumni of the chosen colleges and next preference to those from colleges in the respective districts. It should not include faculty members as entrepreneurs but the faculty members can become mentors if they have the right skills and experience.
- 7) The program will cater to the projects that solve local problems and find solutions to local needs (district and state) with business opportunity.
- 8) Funding assistance will be provided by the first Party only for the management of the programme and the execution of the projects.
- 9) Funding from first party shall be used for establishing an ecosystem fostering entrepreneurship.
- 10) The project does not have provision for first party to fund for building physical space and purchasing equipment. These expenses shall be done by the second party.
- 11) Funding from first party is towards operational expenses including salary of incubation Centre manager called **Regional Coordinator** – details in Operational Guidelines
- 12) Funding form first party is also towards building prototypes and proof of concept of projects / proposals selected by the Central Steering committee
- 13)All incubation centers will be networked to exchange experiences and learn from one another.
- 14) The most important resource of **the Programme** will be local and remote mentors and the incubation centers will have tie-ups with local industry leaders and to those who are outside (In Bangalore/abroad) who may be hailing from the districts as mentors.
- 15)A Steering Committee comprising of representatives from the IT/BT Department, Academia and Industry will be constituted by the Dept. and the Committee will offer governance / Management of this Programme.

- 20) Each selected college shall have Monitoring Committee comprising of Members from colleges, Mentors, Successful Entrepreneur, who will select Business plan / Project Plan / ideas and recommend funding for the same.
- 21) The RC will work with monitoring committee to monitor & report progress of projects to the Steering Committee.
- 22) That the Government of Karnataka through the First Party will pay the Second Party a sum Rs.10,00,000/- per year towards management and operational expenses to the second party. This will be called OPEX.
- 23) This amount will be paid in installments.
- 24) For the current year 2018-19, since the program commences during the academic year, Rs. 10.00 Lakh will be provided to the Colleges in the current year. The amounts for the next year academic year will be released as decided by Steering Committee on the submission of Utilization Certificate for all the amounts released to the Second Party and on verification and satisfaction.
- 25) A Standard Operating Guidelines (SOPG's) for NAIN under the Startup policy have been developed on the role of project team, mentors, incubation Centre in a fair manner. The process of selection and induction of projects has been prescribed and the same is binding on the second party. Guidelines for all the expenses (Opex and projects fund) will also be provided.
- 26) A Mechanism to measure performance of incubation centers with right metrics has devised. The NAIN projects shall not be mere students' academic projects but these will be projects will business potential. Measure of success of a project shall be actual implementation of the business and turnover.
- 27) All the students / project team members shall be introduced to the process of innovation and entrepreneurship through formal and informal classes.
- 28] Innovation and entrepreneur classes to be run for one semester. It should be an elective subject, for students of all streams, with credits being given to students. The Second party shall facilitate the same.

- 29) The College / institute shall ensure that Compensation and recognition of RC / managing staff should be fair.
- 30) This MOU shall commence on the date of signing of these documents and be in force until 3 years from date of signing subject to the terms and conditions of this understanding.
- 31) This the First party / Department on its own can arrange for external evaluation of the programme in measurable areas, to assess the ongoing programme, keeping Second party informed of the nature, and schedule of the assessments.
- 32) That within 30 days from the date of this MOU, the 2<sup>nd</sup> party has agreed that it shall commence the programme implementing the terms and conditions of this Agreement.
- 33) That the second party shall monitor the progress of the all projects and report the same to the first party, and submit quarterly reports as on 31st March, 30th June, 30th September and 31st December of each year.
- 34) That the Second party shall make reasonable efforts to ensure that it provides the state of art resources, faculty, technology and all other relevant parameters to implement the programme successfully.
- 35) That the Second party shall ensure that RC/faculty and other personnel including the Trainees are selected in accordance with law without there being any favoritism and strictly on merit of each of them without any discrimination and shall submit the list of the staff involved in the programme and the faculty to the First Party.
