

INSTITUTIONAL DISTINCTIVENESS

The institution laid out a strong thrust for the Graduation outcomes, mainly with respect to the Placements as well as for NBA accreditation for the CIVIL, EEE & MBA.

The institution laid a strong focus on training the graduates through a well-defined training plan. The students were provided with product-based training and company specific training, which enabled the students to get placed not only in service-based mass hiring companies but also in high salary product-based companies. The institution also provided opportunities in core companies for ME, CIVIL and EEE. The institution rolled out 858 offers from top companies and 5% of the students were placed in product-based companies with a highest salary of Rs.14 lakhs per annum which is a significant improvement compared to last academic year.

The institution was successful in obtaining NBA accreditation for UG programmes of CIVIL, EEE and PG programme of MBA. Accreditation of MBA resulted 100% in admissions. The institution was also successful in improving the admissions for core engineering programmes. This ensured all the eligible programmes were NBA accredited. This demonstrated that the institution was able to meet the graduate outcomes as defined in the strategic plan.
